On May 7, 2015, at approximately 6:15 P.M., Rio Grande City Border Patrol Agents J. Gonzalez and M. Zaldumbide were assigned to collateral intelligence duties in the area of Roma, Texas in an unmarked vehicle. BPA's J. Gonzalez and M. Zaldumbide observed an older green and white Ford pickup truck drive into an area known as "The Purple Apartments", turn around and park facing north towards Portscheller Street. At this time, BPA's Gonzalez and Zaldumbide observed a group of individuals emerge from the brush and run to the vehicle. BPA Gonzalez and Zaldumbide observed three subjects enter the front cab of the pickup, and three more jump into the bed of the truck, one of which they observed jump into the toolbox that was mounted to the truck bed.

BPA Gonzalez and Zaldumbide notified Border Patrol Agents in the area of the developing traffic. During this time, the vehicle began to drive north on La Fragua Street, and turned eastbound on U.S. Highway 83. BPA Gonzalez and Zaldumbide began to follow the vehicle in their unmarked unit.

CONTINUATION:

BPA R. Castillo and A. Feldenzer made our way towards the area and were able to establish visual contact of the vehicle that agents witnessed load up. Upon seeing Agent R. Castillo pull in behind the suspected load vehicle, BPA Gonzalez and Zaldumbide confirmed to Agent Castillo that the vehicle he was following was the same vehicle they had witnessed load up. At this time, agents following the suspected load vehicle observed the vehicle making multiple turns onto various streets in an attempt to evade detection by law enforcement vehicles who were following behind them.

The driver of the green and white Ford, later identified as Joel FLORES neglected to stop at the stop sign at the intersection of La Fragua Street and Athens Street. Witnessing this traffic violation, Roma ISD Police Officer L. Garcia initiated a traffic stop. Flores came to an abrupt stop, exited the vehicle and then ran into the brush. BPA Castillo secured the load vehicle and all subjects in said vehicle, while Officer Garcia and Agent Feldenzer proceeded to pursue and eventually able to apprehend FLORES.

After a thorough search of the vehicle, agent found three passengers in the front seat and three in the truck bed, with one subject was wedged tightly beneath the tool box, and another subject was found inside the tool box of the truck bed. The latch of the toolbox was secured making it unable for alien to exit without assistance. BPA Castillo conducted an immigration inspection on all subjects, eventually finding that all six were undocumented aliens illegally present in the United States. Flores and the six undocumented aliens were transported to the Rio Grande City Border Patrol Station for processing.

PRINCIPAL STATEMENT:

Joel Flores was advised of his rights, understood his rights and voluntarily stated that he was willing to give a sworn statement without the presence of a lawyer.

FLORES stated that he received a call from a subject that goes by "Jefe" asking him to pick up some illegal aliens. FLORES stated that he picked up several subjects from Roma just west of the water plant and was going to take them to a residence north on Efren Ramirez in Roma, Texas. He also stated that he was going to get paid \$100 US dollars for each subject. FLORES stated that he has smuggled aliens about 8 times in the past, and each time he dropped them off at the same residence in Roma, Texas.
